LETTER FROM AN ELDER

Good Neighbors
David Tenison

As we are in the middle of week two of isolation, the elders want you to know that we miss each of you and hope that all is well with you. We pray for your health and safety but we do miss the encouragement, the edification, the outpouring of love, our collective praise to God, and the conversations we engage in with one another. We pray that this isolation will end soon and we can be back together again.

It is in these times of crisis and uncertainty that we see the best come out in people around the country and around the state, Schools are making meals available for their students, online providers are offering internet access free so students can continue their education from home, large companies are re-tooling to help manufacture much needed medical supplies, we see grocery stores and pharmacies creating special hours to accommodate seniors.

These stories go hand in hand with all of the heart -warming stories we hear and read where people have stepped up to help others in time of need during previous crisis. This is when we see the true heart of our neighbors. This reminds me of the story of the Good Samaritan (Luke 10:25-37).

In these times of uncertainty let's reach out to those around us and see what we can do to help them get through this situation. As brothers and sisters we are called to take care of those who are in need. Let us all be salt and light in the midst of the darkness and uncertainty that we are all dealing with in our lives. Continue to pray for our country, our leaders, our state, our city, and our congregation. Pray for physical healing, pray for economical healing, and pray for continued spiritual growth for all of our brothers and sister. **Do not neglect to do good and to share what you have, for such sacrifices are pleasing to God. (Heb 13:16).**
