Cathy Burcham wanted to try a new activity with our 1st-3rd grade class. This summer, she decided to put up a map of the United States and start an incredibly creative project. She sent a letter out with our kid's picture on it to congregations all over the country. In the letter, she talked about our summer activities, including our building program, our VBS, and Frog Road Christian Camp. Then she waited.

Soon, the class started receiving letters back from all over the country. They heard from a church in North Dakota that was across the street from the capitol. They can see the capitol from their fellowship hall and mentioned that they had more membership when congress was in session, including a few congressmen. They heard from a pilot in South Dakota who happened to be in the church office when the letter arrived. Next was a note from a group of church ladies from the Wednesday Bible group from Illinois, then a book of letters from a group in St. Louis. A group from the Virgin Islands sent back some mail and the class intends to continue a "Pen Pal" relationship with them this year. There was another church that has a campus ministry at the University of Virginia which sent the kids University of Virginia folders for school. Cathy said, "I wrote back and thanked them and told them that I hope they have a good football season, even though I think OU plays them this year." The class also heard from a church in Puerto Rico, and a small church in Utah where there are not a lot of churches due to Mormonism.

What the children learned is from this surprising project is that there are Christians all over the map who love God and study His Word. The map is and the letters are hanging in the 1st-3rd grade classroom if you want to take a look.

Thank you, Cathy, for a job well done!

GOOD NEWS!

We are very happy to report that Susie O'Neal's son, John Griffith, was baptized this past Wednesday evening. Susie's cousin, David Todd, drove up from Texas (he is a member of the Lord's church there) to baptize John. David had a big hand in helping John get into rehab and to learn more about God's word. John will be attending with us for a while; and check out the big smile on Susie's face! Welcome to the Lord's church John.

MEN

The men's 'Worship Assignments' list will be posted on the church's website starting this month. You are now able to go to our website at www.glenpoolchurchofchrist.com and see what job you have been assigned to. (Copies will continue to be made and put in the foyer too). While there check out the other items on our web site. If you have questions about the assignments see Robert Hill.

SCHOOL SUPPLIES

Thank you for donating school supplies. We were able to help 4 children go off to school with the supplies that they needed. The rest of the donated items was given to the Glenpool school to help other children. Thanks again!

THANK YOU!

A BIG Thank You goes out to all those who came to help with the 'class room clean up' a few weeks ago. Also, a special thank you for those who worked on the teacher's supply room and those who refreshed the bulletin boards.
