

## Sunday Morning Worship Service Template

*Remember that we are trying to keep the evening devotional to about one hour. The template below is flexible and not set in stone. Try not to do anything that puts unexpected restrictions on the length of the sermon. You are free to add an additional song, just try to be sensible about it.*

***Those serving meet in the old foyer for preparation and prayer between 10:20-10:30 AM.***

### **Welcome & Announcements**
