Building Etiquette

Dear Brothers and Sisters in Christ of the Glenpool Church of Christ,

As we look back at this past year we have had many blessings both personal and congregational. Our new building being one of those blessings. It is our heartfelt prayer that the building will continue to serve this fellowship of Brothers and Sisters in Christ in fulfilling the work of our Lord in the surrounding community.

From time to time a gentle reminder is needed in specific areas of interest. In regard to gentle reminders, one is warranted at this time. In the new auditorium, I have noticed stains in the carpet and some chairs.

If we could all take just a few seconds to police our areas after each service and class this should help keep our building looking nice and new in the extended future.

We love having so many children and new faces here to share in our worship. We also understand the struggle of trying to keep our children out of trouble during this time. We do not want to say or do anything that makes you feel any less welcome here. Instead, the following are some simple suggestions that will help all of us out.

- ⇒ If your children like to draw during services, try to provide a pencil and paper rather than the using the visitor cards.
- ⇒ Try to avoid markers or other writing tools that can stain the chair fabric.
- ⇒ Try to use dry foods for snacks for children. Avoid sticky foods and gum.
- ⇒ If you do spill something, let an usher know so that it can be cleaned up after services.

Like a Christian's worn-out Bible, a well-used auditorium is a healthy sign for a church, and we are happy to see the life and vitality in this place. That said, if there is anything you can do to help us keep it tidier, we would appreciate it. If you have any comments or suggestions in this matter please feel free to contact me.

In Brotherly Love,
 Todd Khoury
 Deacon of Building and Grounds

ON-LINE GIVING

It has become very popular to pay your bills by computer on-line, so popular most people do not carry their check books anymore. If you would like to begin your own on-line giving go to www.glenpoolchurchofchrist.com/donate. You can give one time, or schedule it to give every Sunday. This makes it easy on you when you are sick, or on vacation and you don't need to remember to bring your check book on Sundays!

It is a secure site, just follow directions once there.

12 Reasons Christians Don't Attend Sporting Events

1. The coach never came to visit me
2. Every time I went, they asked for money
3. The people sitting in my row didn't seem very friendly
4. The seats were very hard
5. The referees made a decision I didn't agree with
6. I was sitting with hypocrites—they only came to see what others were wearing!
7. Some games went into overtime and I was late getting home
8. The band played some songs I had never heard before
9. The games are scheduled on my only day to sleep in and run errands
10. My parents took me to too many games when I was growing up
11. Since I read a book on sports, I feel that I know more than the coaches, anyway
12. I don't want to take my children because I want them to choose for themselves what sport they like best.
