## Why God Made Hugs

Everyone was meant to share  
 God's all—abiding love and care.  
 He saw that we would need to know  
 A way to let these feelings show.  
 So God made hugs—a special sign,  
 And symbol of His love divine,  
 A circle of our open arms  
 To hold in love and keep out harm.  
 One simple hug can do its part  
 To warm and cheer another's heart  
 A hug's a bit of heaven above  
 That signifies His perfect love.
