IN NEED OF OUR PRAYERS

- Update on Marc Pulliam: He was taken off the ventilator. He is awake and breathing on his own. He is still in ICU and has a long road towards recovery. He will have skin graft surgery tomorrow. It would be really wonderful if friends and members of the congregation would send him cards of encouragement (since he cannot receive visitors). Please send your cards to Marilyn & Sonny Pulliam and they will make sure he receives them:
 Marilyn & Sonny Pulliam

- Clint Williams, brother of Ben Williams, had surgery to remove a large tumor on his brain. Friday was a rough day for him, but the doctor said that increased swelling 48-72 hours after surgery is typical. As of Friday, they had not heard if the tumor is benign.
- Please remember Carley Jefferson, friend of the Riggs. She has a brain tumor removed a couple of weeks ago. They had a problem with some of her medication, but believe that to be sorted out now.
- Debbie Boyer, Kaci Martinez's aunt, has multiple myeloma. There is no cure, only treatments. Please remember her in your prayers.
- Ken Collins went to the ER on Friday and they are running tests.
- Jack Hill, Bobby Hill's father, will stay in the hospital through the weekend. They believe he has Restless Leg Syndrome from a previous stroke.
- Julia Welch (North Heights) passed away on Thursday. Julia didn't feel good the night before and then collapsed (in front of family) and was gone before the paramedics arrived. Please keep her family and husband, Doug Welch, in your prayers. We will keep the congregation posted on when the funeral is and if there are any specific needs.
- Update on Karen Brown: She has finished her radiation treatments and is recovering from the side effects of those treatments. Her cancer doctor is confident of a good outcome. She will be on medication for the next few years which will help keep a re-occurrence from happening. Thank you all for the prayers and good wishes!

Long Term Prayers Needed: Eric Vaughan (heart); Kathy Henry (breast cancer), Ruth Henry, Ken Collins, Bob Howard, Stephanie White (pain), Dolores Scherman, Alan Trimble (ALS), Barbara Vaughn, Billie English (cancer), Jackson Horvath (deformed heart), Jackson Lilly (lymphoma), Hunter Hargrove (cancer), Cindy Johnson's mother (poor health); Brooklyn Wetzal (hips), Bob Thomas (pancreatic cancer)
