Safety Meeting

Concerns about church safety and security have grown in reaction to a few tragic incidents in churches around the nation. As Christians, we know the reality of evil in the world and seek to respond in faithful ways. Church security and safety touches on and encompasses many ministry areas. Being equipped starts with information gathering and assembling a working, usable safety plan. Please join us for a presentation from Jim McBride with Homeland Security on safety in our churches. This presentation will cover prevention & response to outside intrusion and is open to all. We have invited other congregations in addition to our own.

GUESTS WITH CHILDREN, *Welcome!*

We have a cry room available if needed. Also, we have an attended nursery for pre-school children and younger. One of our greeters would be happy to direct you.
