**MESSAGE FROM THE ELDERS**

As restrictions on worship and social gatherings are being lifted, the decision has been made to begin Sunday morning services on Sunday, May 17th. If cases happen to spike during the week of May 10th, the elders will revisit the decision to open.

The health and safety of all of you is of the utmost importance to us. With that in mind, here are the guidelines, suggestions, and modifications for May 17th. These will remain in place until further notice. We will regularly evaluate our situation and phase in other activities when appropriate.

- At 10:15am we will have a short devotional and singing for our youth (all ages). This will replace the Facebook lessons and singing from the past several weeks.
- Worship service will begin at 10:30am. Please move into the auditorium as you arrive to allow room for others to enter the building. As you enter, please be mindful of the youth devotional taking place.
- At the conclusion of our worship service, we will exit by row starting at the back of the auditorium to maintain physical distancing guidelines.
- There will be no classes or attended nursery.
- Individual communion packets will be available as you enter the auditorium.
- A place to drop off your contribution will be placed at the back of the auditorium rather than being passed during the service.
- Family members from same household may sit together. At least 4 empty chairs should be left between each family. Every other row will be removed to maintain proper spacing between rows.
- Please maintain at least 6 feet of physical distance as often as possible.
- High-touch surfaces such as doorknobs, light switches, bathrooms, etc. will be sanitized prior to and following the service.
- No Sunday evening service until further notice.
- Online Wed devotional will continue until we return to the building on Wednesdays. →

**MESSAGE FROM THE ELDERS CONT'D**

- Overflow seating will be available in the fellowship hall and teen room, if needed.
- Per CDC and state guidelines, those over 65 and/or individuals with underlying health conditions should strongly consider staying at home and continuing with the online worship. As always, please take into consideration your personal situation. If you are ill or at high-risk, please stay home.
- Individual communion packets will continue to be available at the building during the week for those that intend to stay at home.

We long to see each one of you, worship alongside you, learn together, and fellowship with one another. To balance our desire to worship together with the need to keep all as safe and healthy as possible, we feel it is necessary to take this slow, phased approach to our return to worship. We thank you again for your patience and understanding.

We pray for God's continued blessings and guidance through these difficult times.

The Elders

It is with deepest sympathy that we announce the passing of Don Pippin, Glenpool's first pulpit minister. Don's funeral will be Tuesday at 1:00PM at Carbondale church of Christ. Don's daughter Renee has informed us that there is a benevolent need due to the lack of insurance; if any member would like to give on behalf of Don & his family please call the office for additional details.

It is important that we take care of our members who are in need during this pandemic. In addition to praying for the health and welfare of our members, the elders would also like to know if there are members experiencing financial hardships at this time.

We know some of our members probably won't ask for help directly. So, if you are aware of a member of the congregation who is experiencing a financial need, please let one of the elders know.

Or if you are able and willing to assist a member who is dealing with a financial hardship, the elders would also like to hear from you.
