make more disciples for Christ!

Unfortunately, we have had a few members, including Tom Hallsted, test positive for Covid-19 this past week. The elders have asked that anyone who tests positive please let the office know so we can pray for you as well as offer any assistance you may need. The elders have also requested that infected persons participate remotely for the suggested 14-day quarantine period. We want to assure our members that diligent steps are being taken to properly sanitize all surfaces in preparation for Sunday's worship assembly. We have purchased a hard surface disinfectant & virucide that is sprayed on all contact surfaces. Beginning Sunday, **masks will be required in the overflow room & strongly recommended in the auditorium.** This Sunday All Bible classes for children (ages 2-18) are suspended but the adult Bible class in the auditorium will continue. All other worship times will continue as normal. We have been very fortunate to have made it all these months without first-hand exposure but we have not been idyll in that time and we are taking all actions necessary to keep our members safe. We love worshiping with one another in whatever form that needs to be. Please be prayerful for those members who are fighting to recover and their families who are trying to stay safe yet care for their loved ones.

It is important that we take care of our members who are in need during this pandemic. In addition to praying for the health and welfare of our members, the elders would also like to know if there are members experiencing financial hardships at this time. We know some of our members probably won't ask for help directly. So, if you are aware of a member of the congregation who is experiencing a financial need, please let one of the elders know. Or if you are able and willing to assist a member who is dealing with a financial hardship, the elders would also like to hear from you.
