ANNOUNCEMENTS

Thank you to everyone who has provided meals to our members over the past few weeks. What a blessing it is to have a congregation that rallies around each other for all occasions: joyous celebrations of birth, recovery from sickness & comforting those that have lost loved ones. We are blessed & in return bless others.

ages with their move to Glenpool, and the team will have that package to see what other churches and businesses are using for their promotion. We also need to explore ways for our congregation to reach Glenpool's new residents directly. If a list of new residents is available, then it seems we ought to be able to access that list and welcome new residents with an invitation to visit our church family.

If this piques your interest, please see David Gray.

This is impressive, especially considering the pandemic that wreaked havoc across the world in 2020. Even more interesting is the fact that 2021 is shaping up to be even better! With this in mind:

We need a few members with creative minds to develop a promotional item for inclusion in the "Welcome Package" the Chamber of Commerce delivers to new Glenpool residents. The Grays received one of these packages with their move to Glenpool, and the team will have that package to
