KIDS GOALS

LEADERSHIP TRAINING for CHRIST

Several of our kids & their families, along with several members, traveled to Norman this weekend for LTC. We pray everyone had a blessed time & are thankful to those behind the scenes that make this happen for our kids each year!

Update from Debbie: I have talked with Ron Prater concerning the children and families affected by the recent fires. He is continuing the process of contacting them about their current needs. He is reaching out to Cleveland and Terlton to see if there is a need there. We discussed the possibility of waiting until late summer, right before school starts, to help these families with school clothes and supplies. Currently these families have had plenty of donations but they have also had an abundance of information to process as well as decisions to make concerning their families. I will update you again soon. Thank you for your generous and giving hearts!
